Final Selection

Step 3 of 3 - Final Step

Select your **Top 3 most important** leadership values from your Top 8.

This is your final selection - choose carefully. These 3 values will represent your core leadership priorities.

Click the deck to flip cards from your Top 8, then sort them into your final piles.

Strict limit: Exactly 3 cards in your Top 3 pile

You can move cards between piles at any time to refine your final selection.

Final Goal: Identify the 3 values that define your leadership identity

Consider: Which values are absolutely essential to who you are as a leader?

About Revealing Your Top 3

Let others see your three most important leadership values

When you reveal your selection, other participants will be able to see the cards you've placed in your Most Important pile.

What others will see

Your three most important values, their arrangement, and any changes you make while revealed

You're in control

You can toggle this on and off anytime using the Reveal button. Hide your selection whenever you want privacy.

Great for discussion

Sharing your values helps facilitate meaningful conversations about leadership priorities and perspectives.
